RE: Application Directions

Dear Applicant

First Southern Baptist Church of Durango is pleased you have chosen to respond to our need for a Pastor. Our current Pastor had announced his retirement after eleven years of faithful service. As such we have begun a search for the man God has already chosen to replace our current pastor.

We have included several informational items in the "Pastor Search" file of our web site designed to inform you about our church, our town and our plans for a long and productive relationship with a new pastor. Included are:

1. Senior Pastor Job Description
2. Pastor-Church Covenant (Proposed)
3. Durango Church Profile
4. Durango City Profile
5. Biographical Profile Form
6. Reference Release

We ask that you review each of the documents to learn about the area and the church. Once you are familiar with the information, we ask that you and your family prayerfully determine if this is God's plan for your future and that of First Southern Baptist Church. If so, please submit the following to the email address noted below:

- Letter of interest
- Completed Biographical Profile Form (attached additional pages if necessary)
- Current Resume
- Three (3) recent sermons. Sermons may be sent electronically or by mail (thumb drive or DVD) to the PO Box noted below.
- Reference Release

We believe God has already chosen the man to fill the role of Pastor at First Southern Baptist Church and pray for his direction. Should you have questions or comments, please email or call the number below.

Sincerely,

Tom Cummins
